

Bankruptcy Worksheet

Attached is the information we need to complete your bankruptcy petition. Please completely and accurately fill out the attached worksheet. Do not leave any blank spaces. If a question does not pertain to your situation, put "none".

The information you give us will be used to complete your official bankruptcy petition for filing in federal Bankruptcy Court. The information must be accurate. Making a false statement on a bankruptcy petition, or omitting or concealing assets can subject you to fine, imprisonment or both.

If you need legal advice, contact an attorney. Many attorneys will offer you a low cost consultation. Please do not contact us for legal advice. We cannot advise you. Petition Preparers are allowed to prepare the paperwork only.

We can only help you with a Chapter 7 filing (also known as "straight" or liquidation bankruptcy). We offer Chapter 7 to individuals who make *equal to or less than* the median family income based on family size. The income information is available at the company website at www.2shrinkyourdebt.com.

If you wish to file a Chapter 13 (a pay back plan) you should hire an attorney because it is difficult to represent yourself in Chapter 13.

Please complete and return with \$175.00 fee to Independent Document Preparation by toll-free fax to 1-800-503-6107 or by secure email at our company web site at: www.2shrinkyourdebt.com

By completing this worksheet the client confirms that they have read the "important disclosures" posted on the company website. The client confirms that he or she has completed consumer credit counseling as required by law.

When completing the worksheet, do not list the name of a minor child due to the privacy laws.

We are a debt relief agency. We help people file bankruptcy under the US Bankruptcy Code.
